To see the content before your students, simply log in to the RLP platform using the access channel.

- For Share and EDI teachers you must access RLP through the banner/tab that is configured in your platform.
- For Connect teachers you must access the following link <https://richmondlp.com/login> on the left side.

Once you have logged into the platform you will be able to see the active products according to the level/grade you have selected. Click on each product to explore its contents.

Teachers of self-registration

1. Contact your local Richmond representative and request a teacher code for the RLP, with your name, your institution, and the desired product.
2. On the home page, on the right, click **Add product token**.
3. Enter the code provided.
4. Click **Add product**.

Your new products will appear in the list. Click on each product to explore its contents.

If you would like to learn more about the use of the platform, please visit our knowledge base at the following link: <https://rlp-ug.knowledgeowl.com/help/teacher>
