- 1. Login to your class.
- 2. Access the Class Materials module.
- 3. Select the product you want to lock.
- 4. Once selected disable the Unlocked switch.
- 5. Once this is done refresh the page so that the product is hidden from your Class Materials.

- 6. To see the locked products enable the Show locked products switch.
- 7. To unlock a product enable the Unlocked switch.
