How can I reopen a Test Assignment?

04/18/2024 5:33 pm EDT

1. Once inside the class, locate the Assignments > Test Assignments module.

2. Enable the **Show closed assignments** switch.

3. Identify the assignment you want to reopen.

4. Click the spinning arrow icon.

5. The configuration section will open, here you will be able to modify the **assignment name**, **instructions**, **start time**, **due date**, **due time** and s**elect the students** who will retake the activities.
   Note: you will see that there are students who already have a score, if you select those students their score will disappear and they will have to retake the test to get a new one.

6. Once the test has been configured press the **SEND** button.
