There are different reasons why the **SUBMIT** button is not enabled in an assignment, here are the most frequent ones.

1. **Manual marking of activities (Pending Marks) has yet to be added** For the **SUBMIT** button to be enabled you must manually grade the activities that need it.

The screenshot shows a grading interface for an assignment titled "English". It includes fields for "Start date" (07/02/24) and "Due date" (09/02/24). Below these is a "CONTENTS" section with a table of activities and their current marks. A red box highlights the input field for the mark "100" for the activity "A2 - Unit 3, page 33, activity 7".

Activity	Mark
A2 - Unit 3, page 33, activity 5	100%
A2 - Unit 3, page 33, activity 6	80%
A2 - Unit 3, page 33, activity 7	100
A2 - Unit 3, page 33, Fast Finisher	100
